Voluntary Dental PPO

Good news about dental benefits for students of Washington University School of Medicine

Your Dental Plan
As a valued member of Washington University School of Medicine, you have the opportunity to enroll in a payroll-deduction dental program.

Plan Features:
- Freedom to choose any dentist, including specialists
- 12-month rate guarantee
- Vision care program includes access to discounts (including contact lens exams)

How the Plan Works
This dental plan provides a variety of benefits and allows you and your family to use any dentist or specialist you choose. Benefits are paid after any applicable deductible has been met, up to the annual maximum. Claim payments may be made to you or your dentist, whichever you prefer.

Assurant® Dental Network, the dental network for your plan includes 100,000+ unique dentists contracted with Dental Health Alliance, L.L.C.® (DHA®) and dentists under access arrangements with other dental networks. To find a dentist in your area, or to nominate your dentist to participate in our network, go to www.sunlife.com/findadentist, under PPO Plan, select your network, or call Customer Service at 800.442.7742.

IMPORTANT:
Coverage for eligible employees will begin September 1, 2017. You must sign up by the Initial Enrollment Deadline, or forfeit the opportunity until the next plan anniversary date.

1The MAC plan allows employees to have access to our PPO providers and take advantage of their fee discounts. Dentists participating in our networks have agreed to discount their usual fees. Treatment is available from dentists who do not participate in our networks, but their fees are subject to a Maximum Allowable Charge (MAC). The allowable amount for non-participating dentists is based on 45% off the 80th percentile of usual and customary. Patients are responsible for fees in excess of the MAC. There can be significant out-of-pocket expenses if a non-participating dentist is chosen.

Plan frequencies, limitations and waiting periods apply.

This dental plan does not provide coverage for pediatric oral health services that satisfies the requirements for “minimum essential coverage” as defined by the Patient Protection and Affordable Care Act. ("PPACA").

If the cost of a proposed Dental Treatment Plan exceeds $300, it should be submitted for an estimate of benefits payable.

Late Entrants

If you elect coverage more than 31 days after your Eligibility Date, your Effective Date will be delayed to the next plan Anniversary Date and you will be subject to the Waiting Periods for Late Entrants.

This is a brief description only. It is not a Certificate of Coverage. Please see the Group Policy, which alone determines all rights, benefits, and applicable Limitations and Exclusions. We and the policyholder have the option to cancel the group policy.

***This plan does include benefits for services provided by an Out-of-Network dentist or specialist, however, those services do carry a larger out-of-pocket cost than a dentist or specialist that is in the network. If you are interested in visiting a provider not in the network, please contact Sun Life for details. Contact numbers are listed in the welcome letter of your packet. Thank you.***
